WELCOME FROM HEADTEACHER

IN THIS ISSUE

Dear School Community,

Welcome to the summer edition of the Hailey Hall newsletter.

I would like to start by saying a huge thank you to everyone in the Hailey Hall community. In what has been one of the most challenging years; we have all worked together to ensure that the impact of Covid has been kept to an absolute minimum. I am so proud at the determination and resilience shown by our pupils, as they have had to cope and manage, with a multitude of changes and disruptions to their schooling.

A special thank you also to the parents, as if it were not for your support with the sudden changes imposed by Covid, especially with the delivery of remote lessons, the year would not have been the success it was. Despite the challenges, not only have we survived, but we have also thrived! Our year 11's impressed me so much with how determined they were to ensure they get the best possible grades, despite the set backs. We predict some of the best results we have had and I look forward to sharing these results with them on results day. I wish them all the best for the future and look forward to hearing from them soon.

I would like to thank everyone, for their effort and ongoing support and would like to wish all pupils, parent / carers, staff and Trustees, a great summer holiday.

I look forward to welcoming the new Year 7s and new pupils on Friday 3rd September and all pupils back, on Monday 6th September 2021.

CHARITY EVENTS

YOUNGMINDS

14.5.21 Young Minds Charity – Mental Health Awareness Week - pupils and staff donated £86.59 to this worthy charity.

The COVID-19 coronavirus pandemic is the biggest health crisis for generations and it has had a devastating impact on the lives of young people across the world.

YoungMinds charity offers reassurance and advice. Their Parents Helpline supported 45% more parents / carers than in 2019. This was achieved through their new web-chat service and continuously developed practical online support.

We want to see a world where no young person feels alone with their mental health, and all young people get the mental health support they need, when they need it, no matter what.

YEAR 11 'MOCK INTERVIEW' TRAINING 26 MAY 2021

As part of Hailey Hall's commitment with our Year 11 pupils regarding their Post 16 education and career pathway support, Pete Gregory,

Careers' Advisor, had arranged for Post Graduate students from Hertfordshire County Council to assist in Mock interview training.

Because of Covid, Hailey Hall was unable to repeat last year's scenarios which involved face to face interviews but with support from the graduates, we arranged for this to be done virtually on TEAMS.

Pupils were split into 4 groups of 3 and paired with an interviewer who had been given a brief profile of the pupil's interests with Post 16 destination options.

Each group came into the Learning Development Centre (LDC) and, in front of a large white interactive whiteboard, were spoken to by Kyle from HCC with 3 colleagues, Eden, Lucy and Jenny.

The pupils were shown a "Top Ten Tips" guide and good practices regarding interviews. Two of the graduates then played out a Mock interview role-play scenario to show how it could go.

After this, the pupils then went to individual laptops with headphones and Mics and engaged with a member of staff from HCC.

Our pupils then engaged as if it was a College interview. This was repeated so that all the pupils had a chance to practice their new skills.

At the end of the interview, the pupils were given individual feedback as to what they had done and all pupils received positive praise for their engagement and interview skills.

Later in the day 2 pupils had live interviews with Harlow college regarding their applications and the feedback from Chelsie Keighley (SEND support) was as follows:

"They both have been a pleasure to interview this evening; they

conducted themselves very well and should be proud of themselves".

(P Gregory – Careers Advisor)

CELEBRATION BREAKFAST

Every half term the tutor group with the most improved attendance is treated to a celebration cooked breakfast.

On Wednesday 21st July Form 8B were treated to bacon, eggs, sausages, hash browns, toast and juice, all lovingly cooked by Shelley Long and Mr Aldiss. One pupil even commented it was the best breakfast he'd ever eaten. All the pupils were very grateful and very polite.

As a group the pupils have worked hard to improve their attendance and thoroughly deserved their feast.

Well done 8B, keep up the great attendance next year!

YEAR 11 LEAVERS TRIP – FRINTON ON SEA

Eleven Year 11 pupils were taken on a trip to the beach at Frinton at the end of last half term to celebrate the end of their time at Hailey Hall. We had a sing song on the way to the beach and arrived to blue skies but a rising tide.

As soon as we arrived, all the boys ran into the sea and had a whale of a time. Some of the boys were struggling to get into the sea due to the temperature but luckily their friends were there to help them and they all ended up swimming!

We built sandcastles, collected baby jellyfish in a bucket and played frisbee and vortex in the sea. Once the tide had taken the beach we moved on to the green, where we had fish and chips and another sing song, with Mr Taylor and Mr Thurley rapping, singing and playing the guitar.

We took a walk along the High Street and bought ice creams and some traditional sweets, which were eaten on the way back to school. "Best trip ever..." (direct quote from one of the year 11 boys).
