

HAILEY HALL SCHOOL

Believe | Strive | Achieve

03rd of December 2021

Dear Parent/Carers,

Having reviewed feedback from our recent parent/carer survey I am aware that some parents/carers were unsure of how to access curriculum content for their child. On the 03rd of November 2021 I sent the below information letter regarding how to access curriculum overviews for your child:

As you may be aware our new website was launched in September 2021.

<https://haileyhall.herts.sch.uk/>

Included in the new website is an improved navigation structure and updated curriculum area pages. All the images have been refreshed and give a good flavour of school life. Additionally, our school logo has been updated.

With the curriculum updates, all our **Curriculum Booklets** have been updated, they can be located by using the URL or following the below navigation prompts:

<https://haileyhall.herts.sch.uk/subjects/>

Learning - The Subject-Specific Curriculum – Select the subject you wish to view further – Scroll to the bottom of the page and select the link in **Further Information**.

The **Curriculum Booklets** provide you with a useful overview of our subject-specific curriculum where you can see what your child will be learning throughout the year.

We hope you enjoy using the website and find it useful. Please tell us what you think; your feedback is most welcome.

If you click on the 1st blue link it will automatically take you to our school website.

The 2nd blue link will take you to our subject-specific curriculum area

I hope this supports you in accessing your child's curriculum information.

Kindest regards,

Mr Aldiss
