

Dear Parents and Carers,

I am writing to inform you of the changes that are happening to Humanities for the coming academic year. To improve the quality of teaching and learning we have decided to change the order of the day, previously we have had one group running classroom based lessons and activities all on the same day which can be very tiring for many of the pupils.

The new day will entail pupils taking part in activities after tutor time in the morning and returning for lunch whereupon they will then revert to another subject for the afternoon during periods 6 and 7.

To facilitate this we will be asking for pupils in year 7 and 8 to arrive in school in non-uniform appropriate for taking part in Outdoor and Adventurous Activities but bring along their school uniform to change into during lunch ready for learning in classrooms during the afternoon.

To take part in Outdoor Activities in the first half term it is advisable to have the following kit;
Change of shoes

Coat

Hat

Tracksuit bottoms

If you require waterproof clothing we can provide it on the day that you go out.

I hope your child has enjoyed the Humanities programme thus far and look forward to teaching it under this new approach next academic year.

Yours sincerely

Paul Foster

Teacher of Humanities.
