

HAILEY HALL SCHOOL

Believe | Strive | Achieve

20th April 2022

Dear Parents / Carers,

In respect of Government guidance in relation to special schools, we advise the following:

- Please do not send your child to school if they have a high temperature (above 38 degrees). If your child attends school and advises us that they feel unwell, the school will take their temperature. If their temperature is high (above 38 degrees), we will contact you for you to arrange transport home. They will not be able to return to school until their temperature is below 38 degrees. Upon return to school, we will test their temperature.

- If your child tests positive for COVID (day of positive test counted as day 0), please inform the school and do not send to school. Your child can return to school on day 4 as long as they do not have a temperature.

- Following Government guidance, the School will no longer be supplying pupils with LFT test kits.

We thank you for your continued support
