

HAILEY HALL SCHOOL

Believe | Strive | Achieve

Dear Parents/Carers,

Behaviour expectations and maintaining high standards

I hope this letter finds you well. As we are well into the current academic year and are now commencing a new half term, it is essential to reiterate the significance of our school's behaviour expectations and the pivotal role they play in creating a thriving educational environment. These expectations are outlined in our Home-School Agreement and behaviour policy, which serves as a fundamental guide for our collective efforts in nurturing our students.

We are proud that the behaviour of our pupils is good, we continue to be dedicated to our vision of becoming an outstanding School that provides a safe and stimulating learning environment. Our mission is to enable students to develop socially, academically, and emotionally, empowering them to reach their full potential and become responsible citizens and lifelong learners. The school is fully committed to our Mission Statement, Aims, and Values, which can be found on our website, along with our Home School Agreement and behaviour policy. As parents/carers, you play a crucial role in maintaining high behaviour standards. We kindly request that you:

- Support your child's education, ensuring they are properly dressed, attend school regularly and on time.
- Encourage your child's participation in all school curriculum activities and ensure they come prepared with the correct attire and attitude.
- Support the school's rules, policies, and procedures, especially regarding behaviour and any necessary sanctions for breach of the School's behaviour policy. This includes attending meetings and supporting after school consequences.
- Inform the school of any concerns or problems affecting your child's work, behaviour, or well-being.
- Uphold the school's approach to online safety.

Our students, in turn, commit to:

- Adhere to British Values.
