

**HAILEY HALL SCHOOL**

Believe | Strive | Achieve

# Hailey Hall School Curriculum Map for PSHCE

## **PSHE Curriculum intent**

- It is our goal to promote and engender life skills in all our students in order to promote high standards, high achievement and a commitment to being the best that they can be.
  - We want our students to be equipped with the skills they need and to be ambitious in their goals.
  - We want our students to be not only risk-takers but resourceful and tenacious students who rise to a challenge and can be imaginative and resilient in their approach to new learning.
  - We want our students to be interesting as well as interested and to be enthusiastic discoverers of new learning.
  - We want our students to be brave and motivated to be the best that they can be and to be able to thrive as individuals and develop their own independence. We will promote this vision through the learning culture that we will instil within our students through their experiences within the classroom and beyond. We will provide a curriculum that is broad and varied and accessible to all pupils and which takes into account the individuality of our students.
  - We will achieve this through our dedication to embracing new ideas and ensuring that our curriculum and teaching styles are constantly developed and honed.
- 
- Encourage pupils to develop the knowledge, skills and attributes they need to keep themselves healthy and safe, and prepared for life and work in modern Britain.
  - RSE is the lifelong learning about physical, moral, social and emotional development. It is about the understanding of the importance of stable and loving relationships, family, respect, love and care.
  - Helps pupils to achieve their academic potential, and leave school equipped with skills they will need throughout later life.

### **Year 7 RSE**

#### **Why this subject is important:**

The PSHE curriculum addresses both pupils' current experiences and preparation for their future. This Programme of Study therefore provides a spiral curriculum to develop knowledge, skills and attributes, where prior learning is revisited, reinforced and extended year on year.

#### **What you will learn this year:**

### **Year 7**

Unit Name	Topics	Skills and understanding	Curriculum links
-----------	--------	--------------------------	------------------

Health and Wellbeing	Healthy lifestyles, nutrition, and exercise.	To be able to describe how hygiene, exercise and nutrition contribute to maintaining a healthy lifestyle.	In Year 8 students will develop their skills, knowledge and understanding by:

**How you will be assessed:**

You will be requested to complete assessment tests at the start and end of each year, as well as ongoing assessment through tasks. You will be set regular topic questions for home learning.

The final grade is calculated in the following way: You will be assessed after each topic. Teacher assessments and topic assessments will give a combined overall grade. All pupils will have an understanding of our life without levels for each topic.

**How parents / carers can help:**

1. Talk to your child about what they are learning in lessons, perhaps getting them to explain to you what topics they have been exploring.
2. Check your child's home learning tasks that have been set against the homework timetable and where possible, look through your child's work to check that it is correct and complete.
3. Encourage your child to take an interest in the arts, visit any local galleries and museums and be aware of art in the news and any art programmes on TV.

**Useful website and details of course books:**

Gov.uk>societyandhealth

**Promoting British Values:**

Pupils develop their self-knowledge, self-esteem, and self-confidence.

Pupils acquire a broad general knowledge of and respect for public institutions and services in Britain.

Pupils develop respect for themselves and learn to respect other people.

Pupils develop the skills to evaluate the values and arguments of people wanting their support or their vote.

**Progression routes and career opportunities:**

Social care

Mental Health teams

**Who to contact and how if you have a query regarding your child's RSE:**

Name	Position	Email Address	Telephone
Miss Rachel Fletcher	RSE Lead	rfletcher@haileyhall.herts.sch.uk	01992 465208

**Year 8 RSE**

**Why this subject is important:**

PSHE education helps pupils to manage the physical and emotional changes at puberty, introduces them to a wider world and enables them to make an active contribution to their communities.

At key stage 3, students build on the knowledge and understanding, skills, attributes and values they have acquired and developed during the primary phase. PSHE education acknowledges and addresses the changes that young people experience, beginning with transition to secondary school, the challenges of adolescence and their increasing independence. It teaches the knowledge and skills which will equip them for the opportunities and challenges of life. Students learn to manage diverse relationships, their online lives, and the increasing influence of peers and the media.

What you will learn:

Unit Name	Topics	Skills and understanding	Curriculum links
