

Travel Training

Yr 11's

25th January 2024

GB 3

(Addressing the needs of each pupil)

As part of Hailey Hall's commitment to supporting our students when they leave at end of Year 11, I had arranged for Travel Trainers from Hertfordshire to attend to give a talk regarding what is available for students who may not be aware of how they will be traveling to college and discuss options such as Bus, Trains, parental support and how to obtain Bus and train passes. All students and parents would have been advised of the support that is available for Post 16 travel as part of the 1-1 guidance from Coral and Laura (Independent carer advisors) that has previously been given.

Although most students appeared to be confident on travel matters, it is always good to reiterate certain safeguarding matters on personal safety. All students enjoyed the friendly manner in which the sessions went, engaged in appropriate conversation, and asked relevant questions.

It is hoped to continue with these sessions again in the next academic year.

Parents and carers were informed on who and how to contact the County if any further support is required and will be dealt with on an individual basis.

My thanks to Julia, Jill, and Louis from the County for their support.

Mr Peter Gregory, Career Lead
