Re: Important Update Regarding Year 11 Tutor Groups

Dear Parents/Carers,

I hope this letter finds you well. We wanted to inform you of an important development following a thorough staff consultation regarding the progress of our Year 11 students during this crucial time in their final academic year.

After careful consideration, it has been decided to shuffle the Year 11 tutor groups to better align with individual pupil progress, as well as to enhance their pastoral well-being. This strategic adjustment aims to place pupils in the most favourable position to access teaching and learning, thereby supporting their overall development.

We understand the significance of this final year and are committed to providing the best possible environment for your child's academic success. The changes to the tutor groups will be communicated directly with the pupils today, and they will take effect starting Monday 5th February 2024.

We believe that this decision will positively impact each student's educational journey and ensure they receive the necessary support to achieve their full potential. If you have any concerns or questions regarding this adjustment, please do not hesitate to contact us.

Thank you for your understanding and cooperation in this matter.

Yours sincerely,

Mr P. Delamaine
