

**Yr 11's visit to**  
**John Warner School, Sixth Form**

**7<sup>th</sup> February 2024**

**GB7**

**(Encounters with Further and Higher Education)**

As part of Hailey Hall's ongoing commitment to supporting our students regarding what options are open to them with Post 16 pathways, I arranged a visit to a local sixth form at John Warner School, Hoddesdon.

On arrival, we were met by Mr Stephen Cove who is the Head of sixth form at John Warner School. After introductions were made, he very kindly showed us around the school facilities and subject areas that were options for all students who attended the school.

Mr. Cove explained the differences between Colleges and Sixth form and the different pathways that are followed depending on what subjects you choose.

We finally ended in the sixth form Bespoke canteen area where we met 6 current students who attended sixth form. They individually told our students about their different subjects, the reasoning for why they picked the subjects, and their future intentions regarding education, 5 of the 6 had applied for university in different subjects from sports to Business studies.

Hailey Hall students asked them a few relevant questions and hopefully now know what a Sixth-form pathway could offer them.

At the end, the boys said thank you to Mr Cove and his students and we left and came back to Hailey Hall School

Our Hailey Hall students who were in unfamiliar territory and out of their comfort zone, behaved well and credit to Hailey Hall School.

My thanks for support from Paul Foster, Shelley Long, and Helen Phelp
