Enemy of Boredom is the academy of creative excellence for young people who think differently. Alternative provision of contemporary arts education including video games design, music performance and preparing for adulthood life skills course; from a growing number of dedicated centres across the UK and online. Our aim is to provide inspirational places of learning for neurodiverse students by tapping into their authentic interests. Over time we hope to change the perception of school as a place of confusion and fear for students with SEND into one of acceptance, engagement, learning, happiness and potential. By creating an inclusive learning environment, specifically designed for students with SEND, we rebuild their confidence, working with SENDCOs to create a pathway back into mainstream education or preparing students to graduate and move into work.

Courses offered in: Adulthood Skills Courses
